

Association of Friends of the Wichitas Educational Field Trip Grants

The Association of Friends of the Wichitas is once again making their Educational Field Trip Grants available to sponsors/teachers of youth groups. One of the major concerns of our organization is that the next generation be aware and appreciate the special place that is the Wichita Mountains Refuge.

There are forty grants of \$50.00 each available to provide assistance with the costs of transporting an educational group to the Wichita Mountains Wildlife Refuge for a field trip or to participate in an Environmental Education Program. The grant application follows and applicants will be considered on a first come/first served basis based on the postmark date.

If you have questions you may contact:
